

HAYAL 62

Hayal 62, a brand new trandil launched in October 2008, is now available on the charter market. She offers her guests 3000 years traditional wooden boat craftsmanship and luxurious private getaways along the Mediterranean and Aegean coast of Turkey and Greek Islands. Hayal 62 hosts a very spacious master cabin located in the forward section with A/C and private bathroom with shower, making her one of the most ideal yachts available in this region for honeymooners who are looking for a very clean yacht with five star service under an affordable budget. An additional en-suite twin cabin on the port side also makes this sailing yacht a great option for a small family of three or four.

Among the many attractive features of Hayal 62 stands out her excellent performance sailing yacht. Her home port Bodrum and cruising region the Gulf of Gokova which offers steady winds in the summer means Hayal's guests can enjoy her sailing experience almost everyday of their cruise if they wish to do so. Her crew of 3 will make sure you have a safe journey and cater to all your needs for an unforgettable vacation.
