Forward Sunbathing Area

An aerial, top-down view of the forward deck of a sailboat. The deck is made of light-colored teak planking with a central longitudinal strip. A white cabin structure is visible at the bottom of the frame, featuring a square hatch and a circular opening. Along the sides of the deck, there are several dark blue, dome-shaped cushions. The boat is surrounded by clear, turquoise water. The mast and rigging are visible at the top of the image.
